ABOUT COMPANY

Fingravy is a leading HR staffing and recruitment firm. It fills the gap between organizations and the talent pool by incorporating its services such as recruitment consulting, staffing, RPO C2H and allocate the multiple domain resources to the MNCs and large enterprises.

The company is newly introduced in 2019 with a bright vision by allocating the right talent to the right firm. Being new in the HR and staffing industries, we have successfully deployed the highly talented resources to the firm such as Technology, Banking, E-commerce, Real Estate, BFSI, Logistics, Aviation, Hospitality and many more.

OUR CLIENTS

We're nothing without our clients, and we're proud of the company we keep. Know our clients to see how we've worked together to create impact but not yet to be disclosed.

CLIENT BENEFIT'S

We excel in providing support to human resources for lateral as well as entry-level profiles, benefitting companies of all kinds.

Partnership Approach

We'll collaborate closely with you and establish a relationship based on commitment, trust, and integrity. We will strive to achieve your company's objectives and would like to be a long-term partner in the expansion.

Experienced HR Professionals from MNC's

Our team is made up of highly qualified HR specialists who are adept at managing all of your HR tasks, saving you time and money. The majority of businesses will concur that hiring an outsourcer to build the basis for an HR infrastructure is significantly simpler.

Fully Scalable Service

As your company expands and your workforce grows, you may scale up your HR, switching from ad hoc assistance when you need it to a continuing virtual or physical service.

Affordable & Adaptable

Whether working with us on a one-time basis or on a monthly retainer you can select the service level that's best for your company.

Commitment

We provide professionalism, in-depth knowledge of the industry, and a willingness to go above and above without sacrificing our standards. We nevertheless adhere to our preferences and choices.

Communication

We engage, educate and empower targeted audiences to take action and change behaviors that will benefit them as individuals and increase organizational productivity using a tried-and-true strategic planning process and award-winning communication design.
